Will Your Child Attend Summer School 2019?

Site: _____ **Mark one of the following boxes:**

Teacher/Grade: _____ **YES (Complete form)**

Student Name: _____ **NO**

Elementary Summer School is for enrolled CUSD students. Students who are not enrolled in a CUSD LCAP school by the end of the 2018-2019 school year, will not be eligible to attend the CUSD Summer School Program.

The summer program is a four-period model, in which all Summer School students receive Science and/or Social Studies, Math, Language Arts and enrichment activities with literacy components, such as Art, Soccer, Drama, etc. If you would like your student to attend the Summer School program, please complete and submit this form to your child's regular day teacher by April 29th. **Students can miss 5 days, on the 6th day missed the student will be dismissed from Summer School.**

If your student plans to drop out of Summer School please have them return their Chromebook to their teacher or office clerk prior to dropping out. All devices need to be returned to the site for inspection by the end of Summer School. All devices that are not turned in will be shut down by district technology specialists once a student has dropped or the Summer School session has ended. If you purchased insurance for your student's device during the regular school year, your insurance coverage will carry over to the Summer School session. If you didn't purchase device insurance during the school year please talk to the office about insurance options.

Summer School discipline referrals and ASES discipline referrals are combined during Summer School. If a student receives a 3rd behavior referral (SS and ASES combined) they will be removed from both programs. Students will also be removed from the program if any suspendable discipline incidents occur during Summer School or the ASES program.
