Dear Families,

Every Wednesday night we will be sending home a comprehension story for your child to read and answer questions about. It is important that your child underline the sentences in the story where they find the answers to each question. It is also important that your child **spell the answers correctly**. (The words they need to use to answer the questions are in the story.) If the directions ask them to answer in complete sentences, then they **need to write complete sentences**. In the beginning we would appreciate your help with this comprehension. Our hope is that together we will strengthen your child's comprehension skills.

Attached is tonight's comprehension practice homework.

Thank you,

Mrs. Powers and Mrs. Ely
